PCCS 7th Annual Conference

Tackling Health Inequalities and CVD
Through Innovation & Leadership

The PCCS is proud to present this important educational meeting with a difference.

We are delighted to invite you to the PCCS 7th Annual Conference entitled 'Tackling Health Inequalities and CVD Through Innovation & Leadership'.

This conference will run virtually across two-days on **Thursday, 26th & Friday, 27th September 2024**. Invitations for this meeting are open to all healthcare practitioners, and it is free to attend.

HOW TO REGISTER

You can scan the QR code to register via the online form. Alternatively please provide your name, job title and place of work to one of the options below.

Please see full topic details overleaf.

PCCS 7th Annual Conference

26th-27th September
2024

Through presentations and question & answer sessions, this conference will bring together an expert faculty of primary and secondary healthcare professionals with specialisms across cardiology.

Day 1

- ♥ Health inequalities and CVD
- ♥ CVD prevention – past, present and future
- ♥ CVD action
- ♥ Population health and CVD
- ♥ Diagnostic centres and CVD: where are we?
- ♥ Cardiovascular risk assessment – practical implementation
- ♥ Does lifestyle advice make a difference?
- ♥ Update on ESC 2024 guidelines – AF
- ♥ Update on ESC 2024 guidelines - Hypertension

Day 2

- ♥ Are we doing enough to tackle LDL-C?
- ♥ Reaching the hard to reach in deprived communities
- ♥ What do cardiac rehab programmes look like and any barriers to uptake?
- ♥ What does primary care need to know about HFpEF?
- ♥ What are we doing about inappropriate DOAC dosing?
- ♥ The top 5 CVRM papers of the year that may impact primary care

The speaker details can be found on our website

This conference was developed by the PCCS. The sponsoring companies have had no input into the conference agenda, speaker selection or presentations, with the exception of the symposium sessions, for which the respective sponsoring companies are fully responsible.
